STAT

The receipt of your letter of 21 July, addressed to me, is acknowledged and I found the contents to be very interesting.

Unfortunately, this Agency has no authority or connection with any of the circumstances alleged in your letter and the most I can recommend that you do is to explain your story as completely as possible to the State Department. That Department is in charge, as you know, of all affairs in Germany.

I trust you will find a solution to your problems, and beg to be,

Very truly yours,

*Signed - diip via ER 7/25/50.*
